---

## What you need You Need;

- Glue
- Scissors
- 2 different coloured A4 pieces of paper/thin cardboard
- A pencil
- Ruler

## How to make a paper basket

1. Measure 10 even strips downwards (portrait) and cut them on each piece of paper.
2. Then you weave the paper 10 of the same coloured strips, then you fold up the sides.
3. Now you cut the left over strips of paper in half.
4. Then use the just cut pieces to weave the walls.
5. Finally glue all the walls together to create a paper basket.
